

Human Services

Cluster Definition

- Do you help friends with their personal problems?
- Have you planned programs for school or community organizations?
- Are you a good listener?
- Do you care about people and want to help in some way?
- Have you cared for children or done babysitting?
- Do you like to help friends and family members look their best?

If you answered yes to two or more of the questions above, you might be interested in considering a career in human services.

In the Human Services cluster, you would work with individuals and families to meet their personal needs.
